The Way We Do Things

This portfolio of popular menus and platters has been compiled to help make your catering decisions easier and inspire you, so that you have a convenient reference that outlines a range of options with prices at your fingertips.

These menus have been designed specifically for business and personal occasions and are not a suitable reference for weddings where so many other factors need to be taken into account.

There are times when you may want to create your own menu to suit a particular occasion. Should you prefer to compile your own menu, please contact us and we will present you with a quote based on your personal preference.
